Staying Safe at ATMs

Our ATMs are monitored by security cameras, but it still helps to be safe. Below are simple and clear tips to keep in mind:

Please avoid

- Going to an ATM alone at night --- if it seems dark, please let us know, so we can add lighting
- Leaving an ATM door open
- Letting anyone you don t know in the ATM after the branch is closed
- Sharing your PIN# with anyone, make sure you memorize it, don t write it down or keep it in your wallet
- Exposing your PIN # when you enter it into the ATM
- Counting your cash publicly

Please report

- Anyone who appears to be lurking or acting suspiciously in the vicinity of the branch or ATM
- If it looks as if someone is following you
- If someone approaches you demanding money, give it to them. Remember everything you can about the person and call the police immediately.
- Lost or stolen cards, either yours or one you found

Any feedback about ATM Security? Call our Citizens Customer Service at 1-800-922-9999. In New Jersey, you can call the NJ Dept. of Banking at 1-800-446-7467.

INTEREST CHARGE CALCULATIONS FOR OVERDRAFT LINE OF CREDIT ACCOUNTS BASED ON AVERAGE DAILY BALANCE COMPUTATION METHOD

Calculating your Interest Charge

We calculate the interest charge on your Overdraft Line by applying the Daily Periodic Rate to the Average Daily Balance. Then, we multiply that result by the number of days in the billing cycle in which a balance is owed on your Overdraft Line. This gives us the total interest charge for that billing period.

Calculating your Average Daily Balance

To calculate the average daily balance, we take the beginning balance of you Overdraft Line each day (which does not include any unpaid interest charges or fees), add any new loan advances as of the date of those advances and subtract any payments or credits. This gives us the daily balance. Then, we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of your account.

Credit Bureau Reporting

We may report information about your Overdraft Line to credit bureaus for each joint account holder of your checking account. Late payments, missed payments, or other defaults on your Overdraft Line may be reflected in your credit report.

Thank you for banking with Citizens.
